Date prepared: May 2016

Item: Paint Party Powder

Safety Data Sheet (SDS)

Part A – Cosmetic Product Safety Report

Section 1 - Quantitative and Qualitative Composition

| INCI Name | CAS Number |
|---|--------------------|
| Dextrin | 9004-53-9 |
| Dolomite | 16389-88-1 |
| Hydroxyethylcellulose | 9004-62-0 |
| Formaldehyde/ Melamine/Tosylamide Copolymer | 39277-28-6 |
| Sodium Polynaphthalenesulfonate | 9084-06-4 |
| Kaolin | 1332-58-7 |
| Aqua (Purified water) | 7732-18-5 |
| Magnesium Nitrate | 10377-60-3 |
| Magnesium Chloride | 7786-30-3 |
| Methylchloroisothiazolinone | 26172-55-4 |
| Simethicone | 8050-81-5 |
| Citric Acid | 77-92-9, 5949-29-1 |
| Solvent Yellow 172 | 68427-35-0 |
| CI 74160 | 147-14-8 |
| CI 74260 | 1328-53-6 |
| Diethylaminomethylcoumarin | 91-44-1 |
| CI 45161 | 3068-39-1 |
| CI 45174 | 108-20-3 |

Part B – Cosmetic Product Safety Assessment

Section 1 Assessment Conclusion

This safety assessment for human health is based upon the information available at this date. Reviews of this assessment will be made as and when new information becomes available. If significant adverse reactions are reported by consumers, a new evaluation will be made and any appropriate action taken. It is recommended that reviews of the supporting data are conducted every 2 years. Based on the information provided and reviewed, it is considered that the party paint formulation listed above complies with Regulation (EC) No 1223/2009 of the European Parliament and the Council of 30 November 2009 cosmetic product (Official Journal L 342, 22/12/2009 P 0059-0209)

Section 2 Labelled warnings and instructions for use

The proposed label for this Party Paint presentation is acceptable and no additions are required.

Section 3 Reasoning

3.1 Safety Evaluation of substances and/or mixtures

All ingredients have a well-known toxicological profile. They have been freely used in similar products for many years without adverse health effects. The information provided is sufficient to provide an informed safety evaluation of the selection of the ingredients and therefore it is considered that no additional data needs to be generated to support this evaluation.

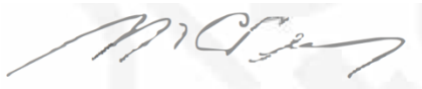

3.2 Safety Evaluation of the Cosmetic Product

The assessment of the ingredients, the finished cosmetic product, immediate packaging, intended use and product label has confirmed that the Party Paint cosmetic product complies with the 2012 Cosmetic Regulation and can therefore be marketed in the EU.

Section 4 Assessors Credentials and approval of part B

It is confirmed that the Party Paint formulation listed above complies with Regulation (EC) No 1223/2009 of the European Parliament and the Council of 30 November 2009 cosmetic product (Official Journal L 342, 22/12/2009 P. 0059-0209).

Part C – Name / Signature of Assessor

In compliance with Annex I, EC Regulation 1223/2009
